Dear Jennifer:

Thank you for your update on the Brazilian litigations relating to the Verbatim Corp. and Verbatim Datalife Commercial Ltd. I discussed your email with Mr. Taguchi and Mr. Sugita, MKM's team. We have the following comments on the points contained in your email.

First of all, MKM is very unhappy with the ways in which you (or MCHA) and your Brazilian lawyers are handling this matters. Because you have just forwarded the email of Brazilian lawyers without any comment or explanation of the points or suggestion on the way forward. It seems very unkind email, to say the least. MKM is at a loss how to respond to your email. I would strongly ask you to add your notes, explanation and recommendations when you forward emails of Brazilian lawyers from now on. MKM is your clients.

Aside from MKM's feeling about the forwarded email, I have the following comments on Starlife litigation for precautionary measures.

Best regards.
